Oosafe® IVF Clinic Multi-Purpose Cleaner

IVF ART

READY-TO-USE FOR IVF CLINIC SURFACES

A ready to use cleaner for IVF clinic surfaces. It provides a quick solution for routine cleaning of incubators (inside and outside), laminar flow hoods, computers, keyboards, screens, walls, tiles, and other compatible surfaces inside IVF Clinic. Aligned with Green Chemistry principles Oosafe® IVF Clinic Multi-Purpose Cleaner is biodegradable, odourless formula effectively removes dust and dirt while being gentle on suitable surfaces. Tested using MEA and SSMA assays to prove that it is designed with specific requirements of the IVF Clinic environment in mind.

Please read and carefully follow the Instructions for Use (IFU) before using this product.

APPLICATION

- Spray the product onto the surface.
- Spread it evenly using a suitable cloth.
- Wipe the surface clean.
- No need to rinse.
